News: Marsha reports: We had a good turnout for the Cloverdale Toy Run. It didn't rain, and we added to a big pile of toys for needy kids. Our Christmas party at Brad and Julie's was excellent. Lots of members; lots of kids and lots of food. Many thanks to B&J. Wally hosted and Wendy cooked for the annual New Year's party. Thanks to Don for the cake.

Marsha and Mikey skipped out by flying to Greece for the holidays. It's very hot there in summer, so this was the only other long school vacation. They saw lots of scooters and light bikes but no trikes. Athens is at the same latitude as Santa Rosa, CA, so the weather was very similar to here in winter, and it didn't rain. On the home front, we are drying out from 11 straight days of rain. The water storage lakes are finally full again, Oh happy day! Dennis and Wendy are celebrating the birth of their first great-grandson. Our best to his mom, Kayla, and her family.

Elections are coming. John Palomino has announced that he won't be running again. We thank him for his years of heading up our Chapter.

CALIFORNIA – San Diego Area

Directors: Dave & Scottie Sisemore, Chula Vista, 619.426.1884, sandiego_btw@cox.net.

Meetings: 2nd Sunday of month, 11:30am, various locations, see web site for monthly information.

News: Over the holidays we were contacted by a reporter working on a story about trikes. She interviewed several of our members and the article hit the internet Jan 24th. It then went global and was picked up by papers of all kinds...Some of you may have seen it in your local paper. If you haven't, there should soon be a copy on the San Diego website. It was rather interesting to have the photographer follow us around on our ride after January's meeting. Over all we were quite pleased with the article and HQ says it has brought a few new members into the fold, as well as reminding some old friends about us. It was all rather exciting.

Lately we've been cooped up due to the rains. We are looking forward to getting back out there now that it's drying out a bit...I'll bet that holds true for many of you too.
